

and The Astronomical Association of Northern California

present:

Conference of Northern California Astronomy Clubs

SATURDAY, April 7th, 2001 9:00 AM TO 5:00 PM
Chabot Space and Science Center
10000 Skyline Boulevard, Oakland, CA 94619

This event will showcase the astronomy clubs and give everybody the opportunity to exchange ideas and get to know each other.

ON THE AGENDA:

- Northern California Astronomy Club Presentations - what's new, what's old, what's cool, what's hot!
- Club workshops - for Newsletter Editors, Web Developers, and more...
- A Full Moon Daytime Indoor Messier Marathon, using the Ask Jeeves Planetarium Zeiss Universarium Mark VIII star-ball projector (bring your binoculars!!!)
- We'll have a fantastic speaker or two. Presentation of annual AANC awards.
- Open house for attendees with the Chabot telescopes: Rachel, Leah and the Transit Telescope to talk about the restoration efforts.
- Observing through the telescopes in the evening; also EAS meeting.
- Time to take in the wonders of the new Chabot.
